

## OSCURO

He who seeketh a job looketh also for a master.

Dr. and Mrs. Blaney and Mrs. Black spent Sunday in Capitan. They say it was quite cool up there.

Lee Chase is camping with his family up in the mountains. Look out for some big bear and wolf stories when he returns.

Tom McDonald came in from Mocking Bird Gap last week and brought in a load of mocking birds. At least there are so many around now it is thought he must have brought them in.

Otto Postler, the young man who was hurt in the runaway last week, died at the residence of E. F. Jones Saturday morning. To die surrounded by relatives and friends is sad, but to die in a foreign land among strangers is pitiful. Mr. Postler was a very bright young man; besides German, his native tongue, he spoke English, Spanish, and Portuguese fluently. While all his people were absent he had friends wherever he went, who will never forget his kind disposition, pleasant manners and whole souled character.

"We only know that he has gone And that the same relentless tide, That bore him from us still rolls on And we who mourn him, with it glide."

## NOGAL

Prof. Cardwell's little boy is quite sick.

Uncle Tom Henley was in the Hub Friday last with a fine load of vegetables and found ready sale at moderate prices.

Our people had a series of temperance lectures on last Sunday evening by Fourth, Skinner and Dillard. What next?

There was a big time at the Methodist church here last Sunday. We have all the isms except Buddhism and Ingelsol preached here and would not be surprised to have the latter any old time.

James Gatewood and Thomas Whitaker have gone to the Mugelon mountains in Socorro county looking for ranches. They sold their cattle to Jake Hicks.

Mrs. Prude was a visitor at the garden on Saturday last. There are only two gardens left in this entire section, the bugs having destroyed all except the Rosedale and the Rev Clem's gardens.

## CARD OF THANKS

To the good people of White Oaks who rendered such kindly assistance and sympathy during the recent illness and death of my aged and saintly mother we wish to thank you, not only through her recent illness but through the many months of her lingering near the borderland. You have shown her marked kindness and consideration and by your Christian sympathy and love, you have made brighter and more cheerful the somewhat dreary evening days of her life.

We would like to make special mention of those whose untiring efforts to stay the hand of the "Grim Reaper" did not cease till the last breath was drawn, but the list would be so lengthy that space forbids.

We must especially thank Mr. McQuillen and the K. P. Lodge of Carrizozo, through him for the beautiful floral K. P. Emblem so kindly furnished.

And to any and all others, either here or elsewhere, who by deed, word or thought paid this last tribute of respect to a noble woman whose long life of service is known to most of you, we thank you.

From the depths of our hearts we thank you, and may the blessing of a kind Providence ever be with you and reward you — J. M. Simms and the absent members of the family.

## NEW MEXICO STATE FAIR

New Mexico is to have a real state fair this year, a larger and bigger fair than has ever before been dreamed of in this state. While it is impossible to secure as large exhibits as some of the state fairs in the thickly populated sections of the country, the New Mexico fair this year will be as excellent in all lines as the largest of the state expositions.

What absolutely insures such a fair is the fact that R. E. Putney of Albuquerque has been secured to take the presidency of the state fair commission. Mr. Putney is the man who led the Y. M. C. A. movement in Albuquerque last fall when under his "never give up" leadership \$75,000 was raised in one week, Mr. Putney giving \$12,000 to the campaign. He is known as a man who never goes after success without securing it. Once interested in a project, he gives it his entire attention and enthusiasm just as he is giving them to the 1915 state fair.

## SUBSCRIBERS NOTICE

Since taking charge of the Outlook we have mailed out several hundred dollars worth of statements to those who were indebted \$1.50 or more, and those whose subscription had expired we mailed statements to them for the advance subscription now due. Some have remitted, but the majority have remained as silent as the seven spirits. We kindly ask every one indebted to us to send in their remittance at once. It seems a little unfair for us to pay interest to keep our business going when we have due us in amounts from \$1.50 up, enough to pay all we owe. In fact we cannot understand why a subscription to a newspaper should be the last obligation considered, when most of those indebted are able to pay promptly. A payment now will be appreciated.

First of all, the farmer must be a business man.

Farming is manufacturing food and food products and the farm and farm equipment constitute the plant.
